Technical Innovations and Patient Support in Radiation Oncology

*New ESTRO/Elsevier
open-access journal:*

Editors in Chief:
Sara Faithfull, Guildford, UK
Michelle Leech, Dublin, Ireland

SCOPE

TipsRO will provide a platform for the publication of high quality original research articles, review articles, case reports, technical notes, short communications, practice development and health evaluation reports that are of interest to the multidisciplinary team involved in the planning and delivery of radiation therapy as well as the reporting and monitoring of its outcomes.

TOPICS

TipsRO will welcome articles in the following areas:

- treatment planning and workflows
- treatment delivery
- patient care
- supportive care
- psycho-oncology
- education
- patient advocacy
- policy development and management
- patient reported outcome measurements
- risk management
- personalisation of delivery
- workforce planning in radiotherapy.

PUBLISHING FEES

- Original research articles and review articles:
 - ESTRO member: €1,015
 - Non ESTRO member: €1,450
- Short Format Articles (short communications, technical notes, case series, case reports, practice development and health evaluation reports):
 - ESTRO member: €378
 - Non ESTRO member: €540
